

Hi all,

This week we have a schedule update and some other general info to share:

1) Please note the schedule for the remainder of the month and that we are meeting as house churches for Labour Day weekend

**August 13th** - 11 am LAC

**August 20th** - 11 am LAC

**August 27th** - 6 pm LAC (Worship/Prayer Night)

**Sept. 3rd** - House Church Sunday

2) Ed & Dianna Bahula would like all the group leads to know that they are available to meet with groups during midweek meetings to help out (as needed) during this transition time.

Ed's email is xxxxx and his phone # is xxxxx.

3) Regarding the West Church leadership transition process:

This past week the representation team participated in a conference call with Steve Staten to review an initial view of consolidated criteria submitted by representation team members. The team also compared their own list with the list of criteria Steve Staten had prepared based on his interviews. There were many similarities in the two lists.

Over the next several weeks, work will be on-going to edit and refine the list of criteria to prepare it for general release to the congregation and to get it to a state where it can be used to begin seeking candidates (method of seeking yet to be discussed).

Please continue to share thoughts and concerns through your small group channels as well as through reaching out to representation team members. It is important to everyone in the representation team that they get things right and that any decisions made will be in the best interest of the whole congregation.

Thank you everyone for your patience and faith during this time of transition.

Regards,

John Riddle
